

## ARATRON

The Demon of Sorrow

Escaping the sadness brought on by Aratron is no easy quest. Nepenthe restores the aura of the drinker by channeling energy and brightening the dark powers of the mind.

With a boiling cauldron of water, infuse these herbs in a chalice and let them brew for as long as desired, then consume.

This is one way to combat the demon of sorrow, by facing him he will be defeated.

GUAYUSA TEA LEAVES

## Selected Elements

### GUAYUSA

A variety of tea from a strand of Holly tree only found in the Amazon rainforest. The taste is sweet and earthy, and has energizing effects.

### BERGAMOT

An oil deduced from the rinds of Seville oranges. The oil adds traces of citrus, and works as a natural antidepressant.
