The Smart Pouch Zip features unprecedented customization options delivering dynamic presentation with a vibrant full-color, full-bleed imprint that will make brands shine while providing storage for electronics, toiletries and other valuables. Made of 100% dual-sided microfiber, its silky exterior delivers the foundation for brand messaging and is great for polishing while its color customizable plush interior doubles as a means for cleaning valuables. Strengthen brand connections with Toddy Gear's one-of-a-kind, fully customizable Smart Pouch Zip.

- Full-color and full-bleed imprint and high-quality microfiber leaves an impeccable impression
- The only zipper pouch to include a microfiber plush protective interior for cleaning and customizable silky microfiber on the outside for polishing
- Dye sublimation process produces long lasting and vibrant graphics
- Multi-use great for storing electronics, makeup, or toiletries while on-the-go
- Protective coating prevents the buildup of mold, mildew, and odors
- Expert design team ensures artwork looks stunning
- Washable for extended use
- Available in 4 sizes
