

ONESOURCE™ 1099

Rev Up Your 1099 Productivity

CENTRALIZE YOUR PROCESS FOR IMPROVED EFFICIENCY

Reduce the time, risk, and expense of B-Notices. ONESOURCE 1099 gives you full TIN compliance to make 1099s easier and mitigate penalty risk.

Whether you prefer to process 1099s with software, or outsource to Thomson Reuters, we're here to make it seamless. ONESOURCE 1099 supports all 1099 series, 1098 series, 1042-S, 5498, W-9, W-2, states, Puerto Rico, and local reporting.

Processing multiple businesses or EINs? No problem. ONESOURCE 1099 centralizes your process across multiple groups, lines of business, and departments to reduce errors and increase productivity.

Because it's web-based, ONESOURCE 1099 reduces IT costs, improves security, and provides automatic updates — you get everything in real time, on time.
