

EMPLOYMENT/**WORK EXPERIENCE**

- **During the summer of 2011 I worked for the gardening and landscaping company 'Green & gorgeous'.**

Skills I gained;

A good knowledge of landscape design.

Interacting with customers and satisfying their requirements to a high degree.

How to behave and work professionally within a working environment.

- **In June 2009 I completed a week's work experience at Centre Parcs, Warminster.**

My responsibilities included;

- **Assisting customers in the sports centre**
- **Helping coach sporting activities**

ACHIEVEMENTS

- **Member of the IED (Institution of Engineering Design).**
- **Level 1 tennis coaching certificate.**
- **Achieved an 8.2 LTA rating whilst playing tennis from ages 13 through to 18.**

HOBBIES/**INTERESTS**

- **I'm a massive sport enthusiast. I have played both football and tennis from a young age. I currently play in a 5-side league and still pick up a racket when I have time.**
- **Currently, I am part of the Varsity Lacrosse team at Bournemouth University. I train 3/4 times a week and play games midweek. It keeps me fit and has been a new and exciting experience since joining, opening up a new social group with planned activities outside of training.**
- **Another interest of mine is gardening and landscaping. Having spent a summer working at a professional gardening/landscaping company I've had first-hand experience and gained a good understanding of what it's like. I often watch programmes on landscaping and even architecture in my spare time.**
