PROFILE/ ABOUT ME

I am currently a second year student at Bournemouth University, studying BA/BSc Product Design. I was intrigued by design from an early age, having always been a creative individual, I would look at products and any surrounding objects and think how it could be improved. Since taking up product design at GCSE I have been able to think more logically, this improved aspect combined with my creativity helps to give the perfect balance when identifying design solutions.

EDUCATION/ QUALIFICATIONS

- **Bournemouth University: Product Design BA/BSc (Hons). [September 2012 -June 2016]**

Year 1 Modules:	Year 2 Modules:
- Technological Principles - 1:1	- Applied Technology
- Design Media -1:1	- Design Visualisation
- Materials & Processing 1:1	- Design for Production
- User Centered Design - 2:1	- Design Management & Commercialisation
- Projects and Prototypes - 2:1	- Projects & Prototypes 2
- **Frome Community College [September 2007- 2012]. A Level grades attained;**
Physical Education,
