

# CRAMLINGTON Landscape Masterplan

While working with Ecologists and Architects I designed and rendered the surrounding landscape and public open spaces within the Cramlington development. In addition to the creation of spaces I included five small natural play areas with equipment to the south creating a link between the west side of the site and the large open space to the east.

LEGEND

 RED LINE BOUNDARY	 PROPOSED PUBLIC OPEN SPACE
 EXISTING TREES TO BE RETAINED	 PROPOSED FOOTPATH
 EXISTING VEGETATION TO BE RETAINED	 PROPOSED P.O.S FOOTPATH
 PROPOSED WOODLAND	 PROPOSED WALKWAYS
 PROPOSED TREES	 PROPOSED ROADS
