

THE PRODUCT:

A laminated guide indicating the benefits of the Q Drum and a sticker label for the Q Drum explaining how it is used.

This guide is a practical way to connect with the users. It will demonstrate to them how the Q Drum will improve their lives more than any other device.

THE NEED:

Rural impoverished people of African nations like South Africa, Mozambique, Malawi, and Swaziland.

THE BENEFITS:

Instructional manual becomes easily accessible through placement on the product.
