

Agency History

Interim HealthCare (IHC) of Omaha has been providing in-home health care services in the Nebraska area since 1975. We are an independent, locally owned and operated franchise of Interim HealthCare Corporation. The management staff is highly skilled, tenured professionals with many years of experience in the healthcare industry. We are licensed as a Home Health Agency by the State of Nebraska and certified by the federal Medicare program.

Interim HealthCare of Omaha has more than 20 health care professionals to provide the highest quality care in the industry. These professionals include: Registered Nurses, Licensed Practical Nurses, Certified Nurse Aids, Home Health Aides, Medication Aides, Companion/Homemakers, Physical Therapists, Occupational Therapists, Speech Therapists and Social Workers

Philosophy of Care

The philosophy of Interim HealthCare is to consistently provide quality services to our clients in accordance with the highest ethical, moral and legal standards. We believe our Standards of Practice and Code of Ethics help us carry out our purpose and ensure safe and appropriate care of clients receiving home health services.

Our commitment to provide benchmark quality services can be demonstrated with our licensure by the state of Nebraska to operate as a home health agency; certified by the Medicare program; positive Quality Assurance standards, Integrity and Compliance Program and our continued growth during the past 25 years. We believe a properly screened, professional staff that is thoroughly trained and consistently managed will produce the true results we strive for- *clients who pass along their Interim HealthCare name with an unwavering endorsement!*

Service Inquires

Service can be arranged by calling 402-392-1818. An Interim HealthCare staff member answers our phones 24 hours per day, 7 days a week.
