Hospitality and Leisure Services

The GHP Horwath Hospitality Group's (GHP Horwath and Horwath Horizon Hospitality Advisors, LLC) expertise within the hospitality industry focuses on a wide range of clientele, from major development companies to financial institutions to privately-held family operations. Our clients span Colorado, the Rocky Mountain Region, and other areas of the U.S. and involve the following:

- Hotels, motels and lodges
- Franchise companies
- Gaming establishments
- Golf courses
- Restaurants
- Financial institutions

The GHP Horwath Hospitality Group offers comprehensive market research, business consulting, appraisal/valuation, brokerage, tax planning, and audit/accounting services, including:

- Cash flow analysis
- Market studies/business plans
- MAI prepared appraisals and business valuations
- Economic damage calculations/analyses
- Financial statement audits (including review and compilation services)
- Internal control audits
- Merger and acquisition consulting
- Sarbanes-Oxley compliance
- Tax planning and compliance

The responsive GHP Horwath Hospitality Group is adept at resolving clients' planning and operational issues, and enabling sound business decisions. The professionals of the GHP Horwath Hospitality Group maintain current industry information and are able to provide the best advice available for your organization.

To receive information on the services of the GHP Horwath Hospitality Group or to receive a complimentary copy of the annual Lodging Industry Compensation Study and/or the monthly Trend Reports, please contact either John Montgomery or William Kottenstette at 303-831-5000.
