

THE AFTERLIVES (SECTIONS)

These sections makes reference to the imagined inhabitation through time (long term). Original 1:100.

**PHASE ONE //
MEGA-EVENT RECEPTION & BANQUET HALL**

The proposed architecture is expected to be used throughout different points of its construction. In this instance, it can be used as a banquet hall for up coming events such as the Olympics or the World Cup.

**PHASE TWO //
CULTURAL/EVENT CENTRE WITH RESIDENCE**

Much of the design revolves around this phase. In this case, the event center hosts Fashion Rio. Programmatically, the complex includes commercial, production and residential functions.
