

NATIONAL AMERICAN UNIVERSITY

Proudly Supporting *THE MILITARY* and their families

HIGHER EDUCATION FOR MILITARY FAMILIES

NAU understands your time is valuable.

Managing your military career with deployments, military trainings and family responsibilities **does not mean** you have to put your **educational goals on hold**. NAU has programs and services that fit the lifestyle of active military personnel and their dependents. You may also be able to **transfer military training into college credits**, allowing you to complete your degree more quickly. These features along with our **military friendly support** team and student services will make you feel right at home, regardless of where you are in the world.

REDUCED TUITION RATES

- Rates apply to anyone who provides proof of an unexpired military ID.
- **Plus ...** No Instructional Materials or Technology Fees.
