What's your  
**FOCUS?**

NAU's FOCUS is on YOU...

# FOCUSED on today's students...

With over 70 years of experience in adult-learning, we understand that students are unique individuals with individual needs. Find out more about how we work with you at many levels to help ensure your success from the very beginning.

## Adult Learners

With over 70 years of experience in adult learning, we know working adults need the flexibility and support to help balance life with their educational goals. That's why we offer flexible degree options including both online and ground classes, depending on availability. You will also have a team of dedicated people to help you from your first contact with NAU until graduation.

## Transfer Students

A lot of our students have earned credits at another college or already have their associate degree. Your previous education may count toward NAU credits. We will review your transcripts and accept those credits that meet our standards.

## Military Families

NAU is committed to helping military students earn a degree for possible career advancement or transition into civilian life. We support active duty, dependents and retired military with a reduced tuition rate for anyone who provides proof of an unexpired military ID. Our trained staff understands military benefits and assists in ensuring that benefits are used appropriately. With our online programs, degrees can be earned from wherever you are. Ask about transfer credits for military training and experience.

## High School Graduates

Whether you've graduated recently or it has been a few years, NAU commends you for taking this next step. Our open enrollment policy provides the educational opportunity for those who desire to earn a degree for the job they want or to improve skills in their current position.

# Let's hear from our graduates...

**Jan Hill**

**Paralegal Studies, 2003**

*"When I started paralegal classes at NAU, it had been almost 20 years since I had been in a college classroom, but the faculty, staff and students welcomed me and helped make my transition smooth."*

**Ross Salas**

**Business Administration, 2010**

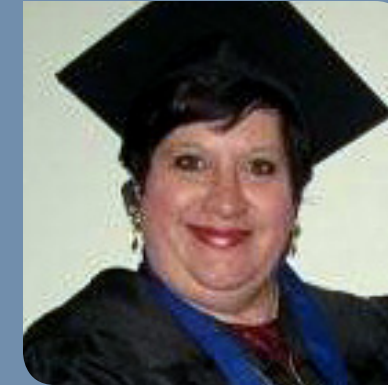

*"The staff's leadership and understanding of my goals contributed to my decision to attend NAU. I knew they believed in me and my dream."*

**Laurie Annis**

**Nursing ASN, 2010**

*"The teacher to student ratio was a big plus for me. I liked the personal attention and that everyone knew me by name."*

**Carol Sheppard-Hophan**

**Pharmacy Technician, 2011**

*"Math was my weakness and I almost quit because of it. Thanks to the encouragement and assistance from my advisor along with the help of a tutor, I passed with a 'B' which was so rewarding! Because of my degree and my self-confidence, I found a great job."*

**Kevin Kumpf**

**Information Technology, 2012**

*"A group of us organized the Association of Information Technology Professionals at our campus. We used it to share ideas, network, and gain technical experience, including community outreach opportunities."*
