

Continuing your education can give you the competitive edge in today's challenging career fields. As a graduate of MIAT, there is a **new opportunity** to continue your education with an associate or bachelor's degree from National American University.

Your MIAT transfer credits

NAU's Associate of Applied Science or Bachelor of Science Degree Completion Credits

NAU's Associate of Applied Science or Bachelor of Science Degree in Management

National American University is regionally accredited by The Higher Learning Commission and a member of the North Central Association | www.ncahlc.org.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please visit our website at www.national.edu/disclosures.

MIAT is accredited by the Accrediting Commission of Career Schools and Colleges.

"We are excited about the partnership with NAU. It will be a seamless transition for graduates, from all the MIAT programs, to continue their education while they are working in their new careers around the U.S."

Charles Hawes, President of MIAT

We are in the **people improvement business.**
We **educate** them,
care about them,
and **treat** them **fairly.**
They gain career and
personal skills, learn to
succeed, and become **leaders.**

Degree Completion Program

NAU & MIAT

The NAU – MIAT Partnership

National American University has been providing technical and professional career education since 1941 and currently operates in over 30 locations in 11 states. We offer degree completion programs intended for students with diplomas, certificates, or associate degrees in specialty areas. These programs are designed to transfer credits from your program to NAU's associate or bachelor's degree in Management.

Sharing a commitment to quality academic programs and student success has led to a relationship between MIAT College of Technology and National American University. Together we're able to provide MIAT graduates with a special opportunity to complete your associate or applied science or bachelor of science degree.

...working collaboratively
for degree advancement

Scholarship

MIAT graduates may be eligible
for a scholarship from NAU
valued at up to \$2000 per year.

Military

Are you eligible for military education benefits?

NAU is approved for veteran's training and is a member of the Service Members of Opportunities Colleges (SOCAD) and will conduct free military evaluations through the American Council on Education (ACE) to determine if your military training and experience qualify as college credits. NAU also offers a **reduced tuition rate to anyone who carries an unexpired military ID**, including dependents.

Application Process

1

Secure
your official
MIAT transcript
from Student
Records

2

Contact an
NAU admissions

Support

We are committed to supporting students from their first contact with NAU until graduation through:

- Dedicated team of admissions, financial services, and academic advisors, including advisors who know military benefits (if applicable)
- Student tutoring
- Personal counseling services
- Career services

Convenience

Life is busy. We provide options:

- Classes are offered online or can be taken at any NAU locations
- Existing credits and experience will be reviewed for potential transfer credit
- Curriculum designed with access to major courses in the first year

Affordability

Your financial service representative is dedicated to finding a financial plan that works for you based on your eligibility:

- Grants, loans, and work study
- Military benefits
- Company tuition assistance
- MIAT graduates and employees may be eligible for NAU's Community College and Technical Training Scholarships
