WITH **EMERGING BIZ SOLUTIONS**

Introducing MichBio's **Emerging Biz Solutions**, a new entrepreneurial support services pilot program designed to provide highly specialized product development planning resources, business partnering connections and industry intelligence to bioscience companies.

PURE MICHIGAN®
Michigan Economic Development Corporation

MICHBIO
DRIVING BIOSCIENCES INDUSTRY GROWTH

This program is sponsored by the Michigan Economic Development Corporation (MEDC) as part of a comprehensive entrepreneurial resource ecosystem that ensures emerging companies have access to the necessary tools, funding and business support essential for commercialization success.
