

Elke

Inspired by mid-century modern design, Elke's sculptural base takes a refined architectural stance in hand-cast aluminum warmed with an antique brass finish. Polished white marble or clear glass floats on top.

- Handcrafted
- Cast aluminum base with antique brass finish
- White Banswara marble top on side and console tables
- $\frac{5}{8}$ "-thick glass top on coffee tables

Glass Coffee Table

Willa

With an elegant beechwood frame, slender spindle back, angled legs and subtle saddle seat, Willa updates the classic Windsor chair, an icon of America's independent spirit.

- Designed by Mark Daniel of Slate Design
- Beechwood frame; clear lacquer topcoat
- Mortise-and-tenon joinery
