

Dear Camp,

THANK YOU SO MUCH for participating in the **Gift of Life Bone Marrow Foundation's "Find the Hero in You at Camp"** program. We are very excited about this summer because we know Jewish Camp can save lives. Our goal is to provide you with the tools necessary to individualize the program for the specific needs of your camp. The critical component is that those registering understand what it means to be a donor.

- Our camp DVD has been provided for initial education of the staff and/or campers.
- We have included a brief Kavannah which we collaborated with Ritualwell to be said before the group swabs.
- Continue to Save Lives Form- enables your staff to bring Gift of Life back to their home and college.

Program ideas:

- A discussion of Jewish Heroes
- A discussion of the Talmudic saying "he who saves a life is as if he has saved the entire world". Camp communities instill the same values.

Please feel free to contact us with any questions, comments or suggestions. We wish you a wonderful summer.

Tizku l'mitzvot,

Ruth Miller (862) 245-2227

Paige LaMarche (617) 795-0818
