

Bee Ready

Beecause it's available in a convenient **no-drip squeeze bottle**, Burleson's Pure Honey is always ready for a sweet treat. And **bee**cause it's all natural, Burleson's Pure Honey keeps for decades in the pantry (but so far no one has had the willpower to prove it). It's right at home next to the peanut butter, coffee, or tea, or even to drizzle over hot pancakes. Make your day naturally sweeter with Burleson's Pure Honey.

Burleson's

PURE HONEY

Bee Good

Because it's nature's sweetener, Burleson's Pure Honey is a delicious and natural way to sweeten just about anything. And **b**ecause it's 100% honey, Burleson's Pure Honey is fat and sodium free, has only 64 calories per serving (compared with 80 for table sugar) and comes packed with vitamins not found in sugar. Plus, **b**ecause it's Burleson's Pure Honey, it comes in a convenient **no-drip squeeze bottle** – sugar never will. Make your life naturally sweeter with Burleson's Pure Honey.

Burleson's

PURE HONEY

Beecause the bees know what they're doing, Burleson's Pure Honey needs nothing else in it – it's just that, pure honey. It's a naturally delicious fit in a healthy lifestyle (we just put it in a convenient **no-drip squeeze bottle**). Burleson's Pure Honey can be kept in the pantry, has no additives or preservatives, and it has less calories than sugar (only 64 per serving) for a greater sweetening power. Better yet, Burleson's Pure Honey has no fat and no sodium! Make your life naturally sweeter with Burleson's Pure Honey.
