

Residential  
**The Greenwald Residence - Addition**  
Bucks County, PA  
Design By: J. Nater  
Year Built: 2013

Addition  
“To grow or not to grow” that was the question The Greenwald Family needed to answer when baby Jacob was on the way. This 1,500 SF addition not only provided room for the new member of the family but also improved the living space experience.
