Some suggestions to make your stay at Caneel Bay a memorable one

### Fishing

Caneel Bay is located within easy reach of the Virgin Islands' South and famous North Drop, which offers spectacular summertime billfish and year-round, pelagic species sport-fishing. Half-day or full-day charters are available with an experienced captain and crew.

### Gift Shop

Don't forget to visit the Gift Shop for souvenirs or browse the selection of casual clothing and swimwear for ladies and gentleman. Tropical scented lotions and sun-products are also on offer, as well as a selection of other necessity items. For family gatherings and wedding parties, the Concierges will be pleased to arrange for gift baskets or Caneel Bay apparel to be placed in each room of your group – no better way to commemorate a special occasion.

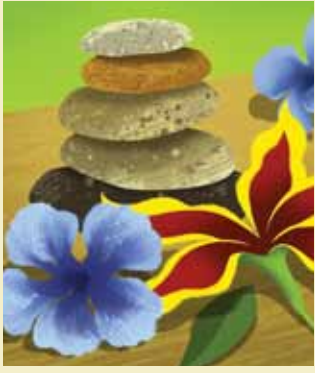

### Hiking, Kayak, & Snorkel Adventure

A unique, multi-eco guided experience awaits you. Kayak along fabulous turquoise waters and sandy beaches in the company of a professional and knowledgeable guide. Snorkel a colorful coral reef teeming with marine life. Instruction is offered and easy-to-paddle kayaks are used. Groups stay close to the shore, and it's an activity perfect for the whole family to enjoy.

### Jeep Rental

Why not spend a day visiting other parts of St. John and the Virgin Islands National Park – experience some of the other North Shore beaches, including Cinnamon Bay and the world famous Trunk Bay. Or learn more of the history of sugar-growing with a visit to the ruins of the Annaberg Sugar Mill. For the more adventurous, Coral Bay on the East End is the location of a number of other historical sites, as well as some local restaurants.

### Massage Center

What better way to de-stress and attune yourself to the rhythms of Caneel Bay, than visiting the Massage Center or beach-side Cabanas. Here you will enhance your experience by enjoying the benefits from a selection of restorative relaxation or therapeutic techniques and treatments, individually tailored for you by our qualified staff of skilled massage therapists and estheticians.

### M'Ocean Studio

M'Ocean, with its tranquil spectacular views, is Caneel Bay's mind-body-spirit wellness center. Choose from a range of activities which include yoga, meditation and Zumba. Enhance your stay with meaningful lasting experiences and a renewed sense of self.

### Pastel & Watercolor Lessons

Let our Artists-in-residence help you see St. John from a different point of view: with yourself as the Artist! Create an island memory to take with you and have fun doing it. Classes are offered weekly for adults and children and no prior experience is required. Classes are kept small and the setting will inspire anyone. Our Artist-in-residence is also pleased to create a unique memento of your stay by capturing in pastels, your special occasion or family group.

### Power Boats

Rent a vessel for day and explore the incredible beauty of the British and U.S. Virgin Islands away from the crowd. Virgin Gorda, Norman Island, Jost Van Dyke and much more; the options are countless. Choose customized bareboat or captained day trips. Feast on a French style continental breakfast, gourmet lunch, open bar, champagne and vintage wines.

### Private Dining

Make a special occasion more special; create a life memory for you and a loved one, enjoy the sights and sounds of a tropical evening while dining on a delicious meal, prepared and served by our service professionals. Choose from a variety of venues, including a beach setting, a mysterious part of our Sugar-Mill ruins or the Wine Room at the Turtle Bay Estate House. And remember it doesn't have to be a special occasion to get a group of friends or family together.

### Sailing

Enjoy breathtaking views of neighboring islands and cays from a classic yacht; a half-day sail includes a snorkel stop and beverages, while a full day sail allows for a mid-day stop at a secluded bay, lunch, swimming and snorkeling. Captained yachts for personal charter are also available for parties of seven or more. Savor the sunset over the Caribbean with some refreshments aboard our Sunset Cruise. The boat leaves our dock in time to catch the last rays of the sun and returns in time for dinner.

### Scuba Diving

Enjoy diving in unspoiled Caribbean waters around the USVI. Two-tank dives are offered daily with a number of dive locations within close proximity to Caneel Bay. Wreck and Night Dives can also be arranged upon request. If you have never tried diving before, now is your opportunity. Our Dive Master can introduce you to the adventure of scuba-diving in the shallow, calm water right off Caneel Beach.

### Tennis

We invite you to visit the tennis centre and meet with one of our tennis pro's. There is no charge for guests' use of the tennis courts and complimentary racquets are available. For beginners through to advanced players, a range of lessons and clinics are on offer and programs also include a player match-up system.
