

Paradise As It Was Intended

An array of flora and fauna call Caneel Bay home. Our 170 acres of tropical gardens, seven white sand beaches & the surrounding turquoise-blue Caribbean Sea support a unique eco-system, protected under the auspices of the Virgin Islands National Park. Natural simplicity is the order of the day.

Caneel Bay offers a variety of watersports and diversions to please every guest and suit every mood

Become part of our family by joining us for lunch or dinner or brunch on Sundays. Choose from: the Caneel Beach Bar & Grill offering a wide range of cocktails & popular family fare, the Caneel Beach Terrace featuring a buffet-style lunch, the Equator Restaurant a dinner venue offering the best of Caribbean cuisine, the Turtle Bay Estate House serving a steak-house inspired menu for evening dining. Each offers a unique character in a spectacular setting. Parking is available & taxis run frequently between Cruz Bay & the Resort.
