## ROSEWOOD LITTLE DIX BAY

VIRGIN GORDA, BVI

Dear Guest,

Welcome to Rosewood Little Dix Bay! The luxury beachfront retreat on Virgin Gorda is the perfect location for friends and family to come together for a destination wedding or anniversary and generate a lifetime of memories.

Consistently honored as one of the top Caribbean resorts, the 500-acre destination offers low-key luxury with elegantly appointed accommodations that blend into the surrounding landscape, all just steps from the beach. Dubbed “wilderness beach” by Laurance Rockefeller, the resort’s pristine, half-mile crescent beach is considered one of the finest in the world. A coral reef just off the shoreline provides excellent snorkeling and protects the bay, ensuring calm water for swimming year-round.

This guide will provide you with information about getting married in our island paradise and assist you in creating an unforgettable wedding experience. Included are details about our wedding packages, resort facilities, dining options and additional services for your most special occasion.

Sincerely,

Duncan Hogarth  
General Manager

# OUR RESORT

Rosewood Little Dix Bay sits on a crescent-shaped bay on the island of Virgin Gorda in the British Virgin Islands. Founded in 1964 by Laurance S. Rockefeller, the resort remains true to its founder's vision of natural harmony while offering an escape from the ordinary. Elegantly appointed accommodations blend unobtrusively into the surrounding landscape and are located steps from the beach. Guests can enjoy a wide array of activities such as diving, snorkeling, watersports and hiking. World-class amenities, including three distinctive dining venues, Sense, A Rosewood Spa®, tennis, fitness facility and children's center, complete the experience.

A five-year, multi-million-dollar renovation was concluded in December 2008, signifying the rebirth of Rosewood Little Dix Bay as a legendary destination. The renovations brought a new Cliffside Sense, A Rosewood Spa®, a 2000sq. ft. Children's Center, resort-wide refurbishments of guest rooms, and addition of 16 new Rosewood Junior Suites as well as 2 Beach Houses and 5 Villas.

The resort features 105 spacious guest accommodations that seem to "grow" out of the landscape. Most are shaded by native sea grape and palm trees, ensuring ultimate privacy. Each guest room has an outdoor patio or terrace on which to enjoy the idyllic setting of Virgin Gorda and its gentle tradewinds. The décor reflects an island sensibility with sophisticated, residential style. Casually elegant interiors are light and airy, most with floor-to-ceiling windows on two sides for excellent cross ventilation. The rooms feature light wood and teak furniture, stone walls and natural colored fabrics accented by island colors. Bathrooms feature double vanities and rain showers while some also have soaking tubs. Half of the guestrooms are outfitted with outdoor garden showers.

## THE DESTINATION

Located only 29 minutes away by air from San Juan, Puerto Rico, 29 minutes from St. Martin, FWI, or a simple 12-minute flight from St. Thomas, the British Virgin Islands offer an unspoiled Caribbean vacation experience, where picturesque landscapes, deserted white sand beaches with clear waters and a vibrant Caribbean culture charm that engages all of one's senses.

Tortola, the main island where government and institutions are located, is also the main point of entry into the BVI. Scheduled daily flights into Tortola are available from San Juan, St. Thomas, St. Martin and Antigua.

Upon arrival at Tortola airport, guests transfer to our resort via the resort's private luxury catamaran, conveniently located near the airport terminal. A resort representative will meet guests upon arrival outside the customs area and assist with luggage and transportation to a private catamaran launch.
