CHANEL
Mademoiselle Privé Watch

The Mademoiselle Privé Watch is majestically presented in a round 18K white gold case set with diamonds, an inlaid hand-sculpted mother-of-pearl camellia and a black satin strap with diamond buckle. The petals of Gabrielle Chanel's favorite flower seem to blossom on the dial, catching the light and giving life and femininity to this diamond studded watch.

Please visit CHANEL Highland Park Village or contact Pilar Hubbard at 214.520.1055 or pilar.hubbard@chanelusa.com, to arrange a private viewing.

Stella McCartney to Launch Maleficent by Stella McCartney Kids in Celebration of the Upcoming Worldwide Release of Disney's "Maleficent"

In anticipation of the upcoming worldwide release of Disney's film "Maleficent," Stella McCartney has teamed up with Disney to create a capsule Stella McCartney Kids collection. The collaborative designs are inspired by the new film based on the untold story of the iconic villain from the 1959 classic "Sleeping Beauty" which will be released in cinemas on May 30, 2014 starring Angelina Jolie in the lead role and Elle Fanning as Princess Aurora.

Inspired by the characters and visuals from the imaginary tale, the Maleficent by Stella McCartney Kids capsule collection includes 8 playful styles for boys and girls ages 4 to 14. The range includes contrasting pieces; feminine princess-like dresses and sandals or dark in edgy t-shirts and sneakers.

The Maleficent by Stella McCartney Kids capsule collection will be available at Stella McCartney stores worldwide including the first ever kids freestanding store which recently opened in Hong Kong's Ocean Terminal and online, select Disney stores worldwide and online, as well as at select kids specialty stores worldwide.

Additionally, 10% of the sale of each Maleficent by Stella McCartney Kids items purchased in Stella McCartney stores and online, will benefit the charity SOS Children's Villages; which works to provide loving homes for abandoned, orphaned and vulnerable children.
