

CANEEL BAY

Massage Center At Caneel Bay

What better way to de-stress and attune yourself to the rhythms of Caneel Bay, than visiting The Massage Center or beach-side Massage Cabanas. Here you will enhance your experience by enjoying the benefits from a selection of restorative relaxation or therapeutic techniques and treatments, individually tailored for you by our qualified staff of skilled massage therapists and estheticians.

For more information and appointments contact the Concierge by house phone at X 7218, or call 340-715-6619.

Receive your treatments at **The Massage Center** or **Massage Cabanas**.

Massage Therapy

Half Session (25 minute massage)

Full Session (50 minute massage)

Session and a Half (80 minute massage)

Double Session (105 minute massage)

Couples Special

(105 minute massage)

Our Couples Massage is a 2-hour instructional session where each Partner gives and receives a 50-minute massage with their beloved under the guidance of a professional Massage Therapist.

Hot Stone Massage

(80 minutes)

The ancient healing art of hot stone massage uses Nature's healing elements of heat, water and earth to bring the body into finer balance. By massaging with the deep penetrating heat of smooth volcanic stones, your therapist works in harmony using various massage techniques to deeply and effectively work your muscles and balance your energy.

Facials

(50 minutes)

Indulge yourself with a pampering facial to cleanse, hydrate and detoxify the skin. Your face will radiate with a Caribbean glow!

Aromatherapy Facial

Deep Cleansing Facial

Back Facials and Gentleman's Facials also available.

Raindrop Therapy

(50 minutes)

Benefit from the qualities of essential oils that fall like raindrops along the spine.

Experience this ultimate aromatherapy treatment combined with massage and reflexology.

Blackberry Relief Massage

(50 minutes)

Soothe your muscles that are overused by Blackberries, laptops and cell phones. Rebalance your body and relax your mind with this treatment that focuses on your back, neck, arms and hands using aromatherapy massage, warm hand and back wraps and a cooling eye compress.

Aloe Vera Wrap

(50 minutes)

This wrap moisturizes all skin types, and is ideal for those experiencing sunburn. Relax with neck and feet massage while aloe penetrates your body during the wrap. The session finishes with a mini massage including the application of silky rehydrating lotion to your body. Your skin will be smooth and nourished, your mind and body relaxed.
