## COMING SOON

### Coming Soon to Highland Park Village

We are very pleased to announce several new additions to Highland Park Village including Brunello Cucinelli, Ermenegildo Zegna, James Perse, and Tom Ford.

## FEATURED NEWS

### rag & bone Debuts in Larger Space

rag & bone has moved to a new, larger space to accommodate the addition of their menswear line. The new 3,400-square-foot store, located in the former UPS and Kristy Stubbs Gallery spaces, will offer men's and women's ready-to-wear, rag & bone/JEAN, shoes and accessories.

British CFDA-winning duo David Neville and Marcus Wainwright have combined their British heritage with directional and modern design. rag & bone has become synonymous with innately wearable clothing that innovatively melds classic tailoring with an edgy yet understated New York aesthetic. The popular brand opened a boutique here in Highland Park Village late last year, and it didn't take long for them to notice the demand to expand their offerings.

"We are so excited to open our larger store at Highland Park Village. There's definitely a market for our menswear there - we had so many inquiries about it when we first opened our women's only store last December - so we're delighted to now be able to offer both our men's and women's collections."

### Akris Fall/Winter 2013

Akris Fall/Winter 2013 pays tribute to Albert Kriemler's late mother Ute Kriemler. The collection encapsulates her effortless grace and elegance. Renowned photographer Karim Sadli illustrates Albert Kriemler's use of Akris signature St. Gallen embroidery, photo prints and double face fabrics. Modeled by Sara Blomqvist, the collection reflects dramatic vertical elements and unique juxtaposition of materials as an expression of the distinct couture craftsmanship of the house.

### Celebrate August Birthdays

The birthstone of August is Peridot and legend says that Peridot was one of the favorite gemstones of Cleopatra. In fact, some of the "emeralds" worn by her were actually Peridot. Peridot is believed to bring good luck, peace and success. Visit the William Noble Rare Jewels showroom on the 3rd floor of the Regus Building (above Starbucks) to find the perfect Peridot piece for your August-born loved one. This Peridot bracelet features over 250 carats of Peridot in 18 karat yellow gold.
