

Good-bye congestion. Hello school.

For relief of nasal congestion and sinus pressure without antihistamine, Children's sudafed - not Dimetapp - is the only one to choose*

- Non-drowsy, so kids can concentrate in class
- No over-drying, for better drainage of the nasal passages

Available in three great-tasting fruit flavors

* Among leading professionally recommended cold care lines

antihistamine free!

NON-DROWSY
Children's SUDAFED
first in it's class for nasal congestion relief
