<p>Citizen Perimeter Resident <small>Confidential Resident</small></p> <p>I am so disappointed in The Citizens Apartments. I will not renew my lease and The Citizens could have had 30 other tenants with guaranteed rent for next two years because of the project my company has me and team of 35 working on. I despise The Citizens and I did not include the other teammates and I am happy that I did not. They would have been unhappy and I and the entire team does not need to be unhappy of where we reside. I have never had a so many fees in my life. A two hundred water bill and no one can tell me what is going on. So now I am having to research for myself. Priority good will insure of doing the right thing is not what the Citizen value. I know money must be made, but moves and without still matters. If you will me something I expect follow through and follow-up. I will prepare for the next steps of my action plan. Suggestions does not matter with The Citizens.</p> <p>June 20, 2015</p>	<p>Overall Satisfaction ★★☆☆☆</p> <p>Value ★☆☆☆☆ Move-in Condition ★★☆☆☆</p> <p>Maintenance ★☆☆☆☆</p> <p>Office Staff ★☆☆☆☆</p>
<p>Citizen Perimeter Resident <small>Confidential Resident</small></p> <p>More enforcement on some of the other residences porch appearance. There seems to be a few that just have bikes out there, coolers, brooms, things.</p> <p>June 20, 2015</p>	<p>Overall Satisfaction ★★★★★</p> <p>Value ★★★★★ Move-in Condition ★★★★★</p> <p>Maintenance ★★★★★</p> <p>Office Staff ★★★★★</p>
<p>Citizen Perimeter Resident <small>Confidential Resident</small></p> <p>Too much time and energy spent on community activities. Adult residents ought to be able to figure out how to meet one another without the staff acting as a central planning agency.</p> <p>June 19, 2015</p>	<p>Overall Satisfaction ★★★★★</p> <p>Value ★☆☆☆☆ Move-in Condition ★★★★★</p> <p>Maintenance ★☆☆☆☆</p> <p>Office Staff ★★★★★</p>
