

Competition Benchmarks:

\$59 - is adjustable, but not cushioned for the legs, won't grip to a tabletop, doesn't stack

\$24 - is soft for legs or feet, but doesn't stack, not sexy at all, won't grip to a table top

\$249 - is multifunctional, but won't grip to a tabletop, extremely expensive

\$19 - not cushioned for legs, doesn't stack, not sexy

It is demonstrably clear that none of the similar products on the market offer the benefits of multi-rest, making multirest the first grippy multiuse cushion of its kind, with no close competitors.
