

TECHNICAL EXPERTISE

Our mission is to deliver exceptional results on a daily basis for our clients. We understand that one-size-fits all solutions do not apply to the world of IP. We work to comprehend our clients' needs and objectives, and move forward with them using clear, targeted and value added strategies.

Charles Eldering founded Technology Patents & Licensing 15 years ago. Since then, Charles has built a world-class team of engineers, attorneys and business minds to deliver results only possible with decades of industry experience. TPL is positioned as one of the leading IP advisory firms providing expert patent claims analysis in support of licensing, sales, litigation and acquisition efforts.
