

### AESTHETIC

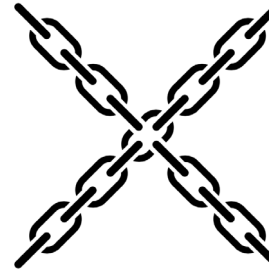

Design meets users needs by being minimal, modern and sleek.

### ASSEMBLY

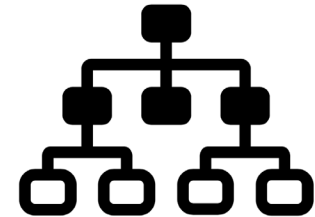

Clear instructions have been produced for easy assembly.

### DURABILITY

Clear lacquer coating will help protect the desk from everyday use.

### ORGANISATION

Modular storage system offers the user customisable organisation.

### ERGONOMICS

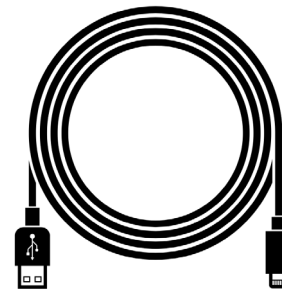

Ergonomics corresponds with relevant British Standards and user needs.

### STORAGE

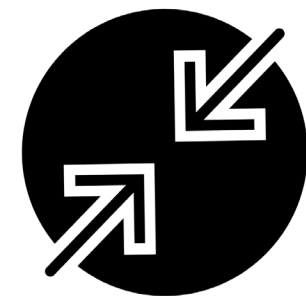

Modular storage allows the user to store a variety of different equipment.

### CABLE MANAGEMENT

The desk offers a solution to stop wires falling behind the desk and becoming tangled.

### COMPACT

The desk isn't very compact as it has been designed to the standard size.
