COSTUMES WITH A PERSONAL TOUCH.

## OUR STORY

Custom Costumes opened for business in 1980. Owned and founded by Carol Hughes, the business started from Carol's own house. Her first costume was inspired by Riff Raff and Magenta from the 70s cult hit The Rocky Horror Picture Show. Finding her own fabrics and wigs, Carol began our beloved costume shop with spandex, quilted silver fabric, hardworking determination, and just a jump to the left!
