BASEBALL & SOFTBALL 2014 SWINGING FOR THE FENCES!!!

"People ask me what I do in winter when there's no baseball. I'll tell you what I do. I stare out the window and wait for spring."

~ Roger Hornsby, MLB Hall of Famer

Are you and your children suffering through those cold winter blues? Need something to look forward to? The Recreation Authority of Roseville & Eastpointe is very excited for the upcoming 2014 Baseball & Softball season. This year we are proud to announce an enhancement to our program: **all players will now receive pants with their uniforms, as well as MLB logo hats and visors.**

Our 2013 season was a home run! We began with our first annual Baseball & Softball Opening Day(s)! There were player introductions, bounce houses, face painting, food, music, live game announcers, and even a visit from the Detroit Tigers mascot PAWS! Over 35 teams and 400 players ages 7-18 were able to participate in our leagues from May through August. Over 75 volunteer coaches

instructed our players and 24 local businesses sponsored our teams. On behalf of all of the 2013 teams, we would like to thank the generosity of our coaches and sponsors, whose time and effort helped to make the 2013 season a great success!

The 2014 baseball and softball leagues will again kick off with Opening Day celebrations: Saturday, May 17th for baseball & Saturday, May 31st for softball.

Registration fees vary by age and league. The final registration deadline is March 28, 2014.

A discount of \$15 per player will be given if the registration is received by Friday, March 14, 2014. See page 16 for more registration and pricing information.

Please call the Recreation Authority of Roseville & Eastpointe at (586)445-5480 for more information on individual leagues, teams, sponsorships, or how to become a volunteer coach for one of our teams.

QUICKSTART INDOOR TENNIS LESSONS

Other sports programs don't make kids play on adult fields with adult equipment and now neither does tennis! After decades of refining introductory tennis lessons the USTA has developed QuickStart and uses this format for sanctioned 12 and under tournaments. Children play on an appropriate sized court for their age and skill level with balls that bounce lower and move through the air more slowly than “adult” tennis balls. With this method kids are able to sustain a rally the very first class, play games and start having fun with tennis right away. Children should have an appropriately sized youth racquet. Some racquets will be available for use on the first class. Chip Fazio, a USPTA certified Recreational Coach loves teaching tennis to kids and adults. If you have any questions about racquet sizing or the class, please contact him at (313) 670-3277.

Now offering an Adult Beginner class: whether you've never held a tennis racquet or haven't picked one up in years, this class is for you! Winter and spring classes will be played indoors on USTA “red ball” (36 ft.) and “orange ball” (60 ft.) courts.
