

Parking Policy

Residents should be aware of the parking rules and regulations at 402 Rindge. Failure to follow parking protocol may result in towing at the owner's risk and expense. When parking, please remember:

- Parking stickers can be issued to residents only. A resident requesting a sticker must have a valid registration, and there is a limit to having only two cars per unit. **Once a resident receives a yellow resident parking sticker, it must be placed on the bottom left corner of the front windshield.**
- Any vehicle parked in the 402 Rindge parking lot without a Resident Parking Permit, Temporary Overnight Parking Permit, or Temporary Parking Permit may be towed at the owner's risk and expense. Temporary Parking Permits are only valid until 2:00 a.m.
- Residents may request an Temporary Overnight Parking Permit from the Management Office for a visiting guest. An individual guest may stay a maximum of 14 nights per year.
- All vehicles parked on the 402 Rindge property must be operational.
- Occasionally it is necessary for Management to block off areas of the parking lot or require residents to move their cars.

We thank you for your attention and cooperation to this matter. Please feel free to contact the Management Office at (617) 876-5855 with any questions or concerns you may have.
