Second Seat

The Heartland USA® Second Seat with sissy bar back rest has the same Patented quick release as the Ride, Rack and Rest system, allowing you to add a passenger seat to your bike in a few seconds and remove it just as fast. The Second Seat adapts to all Heartland USA® Conversions utilizing our custom slotted struts. The Second Seat System... Only from Heartland USA®!
HL-RRR Fits Two-Five-O, E-Z R and 240 D Conversions.....\$799.00

NEW

Ride Rack and Rest

The Ride, Rack and Rest is a quick release option that is compatible with all Heartland USA® Conversions. It performs three functions, Ride - Passenger seat, Rack - Luggage rack, and Rest - Riders backrest. A must for any rider.

HL-RRR Fits Two-Five-O, E-Z R and 240 D Conversions.....\$799.00

NEW

Gear Bag

Exclusively from Heartland USA®, the Gear Bag is designed to strap to either the Ride, Rack and Rest or the Second Seat. You can also carry the Gear Bag by the handle or use the single strap with multiple functions... over the shoulder or as a backpack. It's an all-in-one Gear Bag.

HL-RRRB Gear Bag.....\$149.00

NEW

Plate Holders

Heartland USA®'s Side Mount Plate Holders for the H-D® Dyna® 2006 to present are all new. The Fixed Plate Holder is mounted to the lower left shock bolt and available in show chrome, gloss black, and gloss black back with a chrome frame. All plate holders are available with or without LED light (run and stop functions). All mounting hardware is included. Plate light is optional and mounts to the belt guard tab.

NEW

HEARTLAND USA

Heart Breaker & E-Z R Conversion - fits H-D® Breakout® and Rocker models

NEW

The HEART BREAKER Wide Tire conversion System comes with a pair of Patented Heartland USA® Billet Aluminum Struts (finished in either Chrome or Gloss Black), a 11" Wide Rear Fender in various lengths, a Steel Rock Guard, and a Custom Fitted Leather Seat. This Conversion also allows you to increase the tire size to a 250 Tire (wider rim required). As in all Conversions we offer the optional quick release Second Seat, Ride Rack and Rest and Side Bag System.

HL-240B Fits Softail® Breakout® models 2013 to present\$2,299.00

HL-240R Fits Softail® Rocker® models 2008 to 2011\$2,299.00

HEARTLAND USA

200 Tire D Conversion - fits H-D® Dyna® models 2006 to present

NEW

The Heartland USA® Dyna® Conversion utilizes the Patented Strut System, a custom 9" Wide Fender in various lengths and a Custom Fitted Leather Seat. The Conversion System allows you to run your stock wheel and tire, or you can increase your rear wheel tire size by adding a 200 Tire and wider rim. Note: Rear portion of frame supports must be removed. As in all Conversions we offer the optional quick release Second Seat, Ride Rack and Rest and Side Bag System.

HL-200DN-1 Fits H-D® Dyna® models 2006 to present\$2,299.00

HEARTLAND USA

E-Z 200 Conversion - fits H-D® Softail® models 2008 to present

NEW

The Heartland USA® E-Z 200 Tire Conversion System fits all Softail® models 2008 to present. The System includes Patented Heartland USA® Billet Aluminum Struts (finished in either Chrome or Black Wrinkle), a 9" Wide Fender, a Steel Rock Guard, and a Custom Fitted Leather Seat. Three fender lengths are available for this Conversion. As in all Conversions we offer the optional quick release Second Seat, Ride Rack and Rest and Side Bag System. Note, not all Softails® 2008 to present are equipped with a 200 Tire; to have the wide 200 Tire a new wheel and tire are required.

HL-20008 Fits H-D® Softail® models 2008 to present\$2,299.00

HEARTLAND USA

E-Z D Conversion - fits H-D® Softail® Deuce™ models 2000 - 2007

NEW

The E-Z D Wide Tire Conversion System installation is as simple as unbolting the stock seat, fender, struts and plastic rock guard and replacing them with the Heartland USA® kit Go from Stock to Custom in less than a day.

HL-200D Fits H-D® Softail® Deuce™ models 2006 to 2007\$2,299.00
