FTSE. It's how the world says index.

Islamic investment is growing at a fast pace, with increasing demand for ways to invest solely in Shariah screened and compliant companies. To stay ahead, we understand that you need a comprehensive and Shariah compliant index solution. Based on the FTSE Global Equity Index Series, FTSE has created the FTSE Shariah Global Equity Index Series, a new series screened to comprise only Shariah compliant stocks, providing solutions that will always be in line with Islamic investors' needs.
