

Pace University

Do you know what you want to be when you grow up?

What if you're wrong? What if you aren't sure?

No problem.

At Pace University you can 'try on' your career to see what the real-world version looks like.

How?

Start with stimulating and informative courses, then add in real-world experience working with professionals such as:

- A portfolio manager for Smith Barney
- A producer of shows for MTV
- A middle school teacher in New York City
- Scientists participating in cancer research
- Software programmers for IBM
- Nurses in a hospital emergency room

Wow.

BusinessWeek says Pace is in the top 50 schools whose graduates have the **highest earning** potential.

What else does Pace offer?

1. Professors who love to teach – Counselors who want you to succeed – Mentors who know the ropes.
2. The most extensive internship program in the New York metropolitan area.
3. Two Campuses - New York City & Westchester County.
4. Scholarships and financial aid packages for qualified students.

Enjoy diverse student organizations, a huge range of activities, and fascinating cultural events.
