While the outdoor weather is beyond your control, Carrier's efficient heating solutions ensure that the indoor forecast is always entirely up to you.

INFINITY® SERIES

FURNACES

Looking for top-of-the-line comfort, performance and efficiency? As its name suggests, the Infinity series takes them further than they've ever been.

AIR CONDITIONERS

If there's an air of superiority to these units, it's because they're the quietest, most efficient models we make. Built for total home comfort, our Infinity series central air conditioners offer an enviable SEER rating of up to 21.

THERMOSTATS

The unrivaled capabilities of the Infinity control represent our highest degree of comfort management. This communicating control is designed exclusively for our Infinity system products. What's more, techno lovers will rejoice over the Infinity control's energy management and remote access features.
