

You Can't Spell
Corporate
Sustainability
Without **PTR**

PTR leads the recycling revolution.

PTR Baler & Compactor's commitment to the environment is evident not only in our equipment, but in our own sustainability program.

Join the recycling revolution and allow our horizontal and vertical recycling balers to help your company protect and preserve the environment, while reducing your carbon footprint.

PTR is the world leader in providing recycling and waste disposal equipment to today's top corporate citizens.
