

Dear Member,

We are very excited to announce that The Trumbull Country Club is in the process of building a state of the art Health and Fitness Center that will enhance the lives of its members for years to come! This is an exciting addition and indeed something to celebrate! For generations, the Club has served as a destination where lasting memories have been made. And while times have changed, this rich tradition continues.

As a devoted member, who has held the Club close to your heart, we are asking for your support of this endeavor by serving as a contributor. The contribution levels are included for your review. I think you will agree this is indeed a worthy cause. It is a tremendous opportunity to leave a legacy for your children or grandchildren or perhaps mark the remarkable life of someone close to you whose life was enhanced by the club.

Thank you in advance for your support. For more information please feel free to contact me directly at 330.759.4570. Here is to the next 100 years!

Sincerely,

Jennifer Saul Campbell
