

How to Tie a Windsor Knot

Step
#1

Pick a tie, any tie.

Step
#2

Place the tie around your neck

Step
#3

Cross the wider end over the narrow end of the tie

Step
#6

Bring the wide end back up again through the loop

Step
#5

Curl the wide end that is left behind the narrow end

Step
#4

Cross the wider end over the narrow end of the tie

Step
#7

Put down through loop and pull across narrow end

Step
#8

Bring the wide end back up and tuck through the loop a third time and bring back down the front

Step
#9

Pull down on the wide end to tighten

Step
#10

Centre the knot and fold your collar down properly
YOU'RE DONE!
