

CONGRATULATIONS ON YOUR UPCOMING WEDDING

It's your moment to shine!
Which is why I'm honored you've
selected Salon blondi as your preferred wedding
hairstylist. Together, we'll create the perfect bridal look
to complement your big day—a look that's as unique and
special as you are. My primary goal is to highlight and enhance
your own natural beauty, thus allowing you to radiate confidence
from your first step down the aisle to your last dance at your reception.

In order to provide you with the best possible experience, I kindly request
you provide me more information about your special day by completing the
following service agreement. Please note that it is Salon blondi's policy to refrain
from scheduling bridal services or reserving dates until after the receipt of both a
signed service agreement and the requested deposit, as described in this document.

If you have any questions regarding available services or this agreement, please feel free
to contact me by text (302-298-5370) or by email (salonblondi@hotmail.com). Thank you for
trusting Salon blondi with your wedding day style. I look forward to working with you.
