Linear Boulevard Fireplace

With its strong horizontal lines, contemporary burner, and chic accessories, a Boulevard Linear Vent-Free Fireplace adds drama to any decor. Designed for eye-level, in-wall installation. Boulevard Fireplaces feature modern technology, artfully applied. The Millivolt system operates with a standing pilot and includes an on/off remote control. Additional remote controls are available - including thermostat and programmable models. The Green Earth Preferred Intermittent Pilot system eliminates the standing pilot - saving energy and comes standard with a thermostat remote that allows you to adjust the flame height to suit your mood and heat requirements.
