

In America's Heartland you'll find the heart of Natura.

At our plant in Fremont, Nebraska we put in more than just high-quality, natural ingredients. We also add to our nutritional philosophy that we have complete control over the entire manufacturing process, ensuring the quality and consistency of our food. Providing healthy food for your pet means more than just a promise. We took a great idea and made it real.

PanCreations® is a product of Natura Pet Products, dedicated to making the healthiest pet foods in the world.

Natura's products are subjected to more than 100 defined quality control checks throughout the manufacturing process. You can expect our foods to retain the highest quality ingredients from our trusted suppliers, passing rigorous food safety checks to ensure the pet food you buy meets our quality standards. For each lot of products produced, multiple tests are performed to ensure the product meets our stringent standards and specifications before it is released and delivered to the shelves of your local retailer.

PanCreations

Simple home cookin' for dogs with pancreatitis

PanCreations® is a natural, low-fat, home-cooked meal for dogs with pancreatitis.

PanCreations® originated from a deep commitment to improve the lives of pets through superior, holistic nutrition. Our farm-fresh vegetables and low-fat cuts of venison are freeze-dried to prevent any harmful pathogens from forming. We use only whole grain brown rice for its high nutrition value. All of our ingredients pass strict quality control checks to ensure that pets receive the real, wholesome ingredients they need, and nothing they don't. PanCreations® provides 100% of the total nutritional needs of your dog.

Our commitment to your dog. Our promise to you.

PanCreations® is formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrition Profiles for all life stages. Because we think you and your pet will be completely satisfied with this product, we offer a satisfaction guarantee.*
