PRESENTS:

# FLIP YOUR FOOD: NATURALITY'S FOOD DAY

MONDAY OCTOBER 27, 2014  
11:00 - 1:30, ANDERSON

Celebrate your locally grown food at Naturality's 3rd annual Food Day. At this year's Food Day we are going to Flip Your Food. We will show you all the cool things you didn't know you could do with your food. It will occur this year during the Locally Grown Lunch, where our chefs will highlight some of the best food grown in our area.
