PUTTING GREENS

TURF & GRASS

TEE LINES

COMMERCIAL

Our greens are designed by incorporating all aspects of shot making and the short game.

VIEW MORE

With a soft feel and natural appearance, our synthetic turf is made to simulate real grass without all the hassles.

VIEW MORE

Our synthetic tee lines are designed to allow you to place tees directly into the surface or just drop balls and hit off the turf.

VIEW MORE

Our synthetic fibers are easy on the bones and joints, while still providing a strong and durable surface to play on for years to come.

VIEW MORE

“ Southwest Greens did a fantastic job on my green! From shape, size, contour and speed.... EVERYTHING was done to my exact specifications. My Southwest Green is very similar to the conditions I play each week on Tour. ”

— Zach Johnson - 2007 Masters Champion
