

# THE ULTIMATE NEWSSTAND VEHICLES...

## THE GENERAL MEDIA AUTOMOTIVE GROUP

### FOUR WHEELER

The flagship of general media's automotive publications, FOUR WHEELER has been the leading magazine for the 4x4 off-road enthusiasts since it was first published in 1962. Each issue offers hands-on technical articles, new product testing, stunning 4x4 travel and adventure photography, an exhaustive new vehicle test program, competition coverage and much more. Every month, FOUR WHEELER gives its readers something new and unique in a lively, colorful format.

### STOCK CAR RACING

Connect with the fastest growing sport in America with the publication that has won more awards for its coverage of that sport than any other. As the top title in its field, STOCK CAR RACING magazine is, issue-for-issue, the best selling racing publication in the world. With a balanced editorial format that provides vital technical information for active competitors and fascinating personality figures for fans, STOCK CAR RACING magazine's name says it all.

### DRAG RACING MONTHLY\*

Since 1964, DRAG RACING MONTHLY has been the leader in drag racing journalism, bringing the world's fastest sport to fans and participants all over the globe. That experience shows in every action-packed issue as DRAG RACING MONTHLY's award-winning writers and photographers provide penetrating personality profiles of racers past and present, sizzling color car features, driving and tuning tips, plus relevant technical stories. Besides being entertaining and informative, DRAG RACING MONTHLY is the absolute best drag racing magazine on the newsstand.

### OPEN WHEEL

Sprint cars, midgets, super-modifiers and Indy cars are all covered in OPEN WHEEL, the only publication targeted exclusively at this growing area of fan and competitor interest. Each issue contains sport-specific technical articles written in a practical, hands-on style. OPEN WHEEL also publishes behind-the-scenes race reports, personality profiles and other exciting racing features.
