For over 40 years, GPI has been producing its distinguished line of casino furniture designed to meet your casino's operational standards and unique design preferences. All of our gaming tables and furniture are meticulously crafted from a wide selection of materials and options. Each piece is built to each customer's specifications and constructed to last. We offer an attractive selection of base options and aesthetic designs and finishes to meet your budget. Whether you prefer a classic table or desire a more custom look, the end result is a quality gaming table tailor-made for your casino.

GPI's innovative Quick Change Tables give your casino the flexibility to easily and quickly change the appearance of your table layouts. Since the process to change the layouts takes little time and effort, our Quick Change tables are ideal for short-term promotions and special events.
