1. FOR BUYERS CONSULTING

BEYOND THE DEAL.

Great Businesses Don't Happen by Accident.

Great businesses are made by careful choices, good strategies and a true understanding of how the numbers work within the whole structure.

When it comes to Mergers & Acquisitions, the ultimate success of a transaction, from the buyer's point of view, means gaining a clear picture through detailed analysis, thorough due diligence and quality information about your potential acquisition. This allows you to determine your strongest position. At RSJ, we go beyond the simple dollars and cents. We help you identify and focus attention on the key factors in your target acquisition that are critical to achieving breakthrough performance and future business success.

Our goal is to enhance the buyers' understanding of the target business, ensuring its financial statements provide a realistic picture, as well as the best possible outlook for the road ahead. Looking at mergers beyond the numbers for us, means giving you the edge that increases the likelihood of the deal achieving its highest objectives. Our expert team helps you identify and understand critical success factors in order to make informed decisions. By providing you with a comprehensive view of your target business acquisition, the characteristics of its cash flow, and the potential tax implications at every level, RSJ gives you the clarity you need to make better pricing decisions and gain greater control over the purchase process.

Getting integration structure right starts with RSJ's M&A services:

SERVICES OFFERED:

- Risk assessment and management
- Integration of merged or acquired entities
- Audit of target's financial statements
- Post-acquisition/merger strategic build out
- Deal structuring, including add backs and post deal tax solutions

HOW YOU BENEFIT:

- Empowered purchase decisions
- Thorough understanding of risks & foreseen challenges
- Translate strategy into acquisition/merger negotiations and closing
- Practical solutions, tying together strategy and financial implications of the merger or acquisition

- Maximization of economic value

RSJ enables you to Lead, Plan, Communicate, Operate, Grow and Prosper.

2. M&A SERVICES CONSULTING

SETTING YOU ON THE PATH TO PROFITABILITY.

At RSJ, Your Success is Our Business.

They say "Great minds think alike", and while we take special care to know what you are thinking, sometimes you need great minds that think out of the norm. We know that few business activities are more complex and risky than making an acquisition or selling your business. While the promise of growth and economic gain is real, experts warn that without careful planning and analysis, many mergers and acquisitions can ultimately fail to live up to their initial promise. That's why RSJ has built an impressive team with broad-range expertise and practical knowledge to help move your M&A transactions to optimal levels of performance and value.

Beyond just technical, financial and tax expertise, our unique capabilities and intimate understanding of your needs will help you gain clarity, manage and reduce risks, create tax efficient deal structuring and ensure a more solid financial future. Our Mergers & Acquisitions team will deliver an actionable road map to help you structure the best possible transaction by conducting thorough due diligence, preparing quality earnings analysis, and advising on general business and tax advantages. We also provide you with unbiased insight, confidentiality and a true desire to help you achieve a seamless transition with maximum profitability.

RSJ offers a comprehensive range of services to help you navigate the changing face of Mergers & Acquisitions.

- Tax Planning & Structuring to Maximize Returns
- Identify & Manage Risks & Liabilities
- Due Diligence
- Preparation of Business Plans & Financial Projections
- Negotiation & Closing
- Investment Bank Selection
- Exit Strategy & Review
- Coordination with Attorneys & Investment Advisors
- Audit of Financial Statements

3. FOR SELLERS CONSULTING

PUTTING THE DEAL IN YOUR POCKETS.

Building a Successful Business is Tough and Takes All The Right Moves.

Selling a business can be even tougher and demands even more of the right moves.

Because selling a business involves more than just enthusiasm, you need M&A financial specialists who can provide confidential, strategic and tactical advice that will enable you to realize the maximum profit potential of your business.

Financial and Tax planning, at the early stage, can add significant value to the outcome of your deal by minimizing tax costs, managing long term sustainable tax rates and cash flows, and planning for a tax efficient exit. Devising and maintaining the correct formula from the beginning, translates to a deal process with greater control and more money into your pocket. With RSJ, you get a team of adept experts who act as partners from beginning to end. Preparation, planning and due diligence provided by our integrated team of M&A tax specialists, corporate finance, legal and transactional professionals; gives you experienced deal structuring and financial advice. We will support you in all aspects of your transaction throughout the sales cycle.

Our Mergers and Acquisitions practice has a strong track record of success across a wide range of industries.

SERVICES OFFERED:

- Risk assessment and management
- Pre-acquisition due diligence
- Prepare businesses for purchase or disposal
- Financial statements
- Deal structuring
- Earn-out protection
- Post deal tax solutions

HOW YOU BENEFIT:

- Empowered negotiation process
- Thorough understanding of risks and challenges
- Translate strategy into negotiations and closing
- Control direction of sales process
- Reliable picture of financial implications
- Minimized transactional and strategic risk
- Optimized cash flow

We Help You Navigate Through Your Transaction To Come Out On Top.
