NOW YOU CAN
CONTROL THE
FLOW, THE
PRESSURE
AND THE SCENE
WITH THE TOUCH
OF A BUTTON.

**OUR VERSION OF
MISSION CONTROL.**

TAKE CHARGE OF THE SITUATION
AND PUT ULTIMATE PRECISION
AT YOUR FINGERTIPS WITH THE NEW
ELECTRIC VALVE CONTROLLER.

**Go Electric
and keep it
under control!**

The new Electric Valve Controller from Elkhart Brass lets you monitor and control both pressure and flow while visually tracking the valve's position – from wherever on the truck you need it.

What's more, it's specifically designed for precision, durability, and ease of use with features like these...

- **Integrated Display** – Know the true flow and pressure
- **10-LED Position Display** – See the panel status at a glance in any condition
- **One-touch Programmable Presets** – Save time at the scene
- **Smart Drive Technology** – Protect valve motors, plumbing, and personnel

Electric valves enable a new standard for apparatus usability.

Apparatus constructed with electric valves allow easier access to critical information while reducing panel clutter.

Go Electric and Take Control.

Fire Fighting Equipment

**It's The Elkhart Brass
"Go Electric" Sweepstakes!†**

**One Grand Prize:
A Trip for two to the FDIC Convention
in Indianapolis, IN**

Register for the Elkhart Brass "Go Electric" Sweepstakes today and be eligible to win a trip to FDIC – and benefit from the firefighting industry's premier training event. This trip includes...

- Travel and lodging for 4 days and 3 nights in downtown Indianapolis.
- FREE Registration for workshops and H.O.T. classes of your choice*, where fire industry leaders will teach you how to do your job more safely and effectively.
- V.I.P. access to FDIC programs and events
- A \$4,600 value

No other event delivers more serious training for serious firefighters!

**4 Monthly Second Prize Drawings:
An EB-500 Digital Portable Flowmeter –
Retail Value: \$2,040**

This cutting-edge digital flowmeter is a powerful addition to your fire fighting arsenal with features like low and high-flow warnings, a flowtube-mounted paddlewheel flow sensor, hard-anodized finish, weather-tight case, and rechargeable battery.

To enter, go to WinWithElkhart.com.

Be sure to use code EBM123 when you fill out our online entry form!

† No purchase necessary. Void where prohibited. See official rules at www.WinWithElkhart.com. Sweepstakes ends 11:59 PM ET on 12/31/07.

* Based on availability. If classes aren't available at 2008 FDIC, offer will be valid for 2009 FDIC.
