TOMTOM TRAFFIC

GETS YOU THERE FASTEST

Road coverage

Only TomTom Traffic covers 99.9% of all road types, helping you avoid the jams.

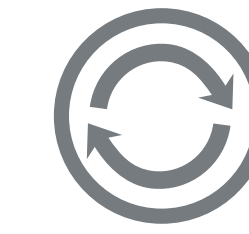

Reliability

We use data from more than 350 million drivers around the world. So you can rely on the traffic info you receive.

Accuracy

Only TomTom Traffic pinpoints jam locations with an accuracy to within 10 metres. It will even warn you as you approach the tail of a jam, and if you are going too fast.

Frequency

TomTom Traffic delivers updated traffic info every two minutes.

only at
halfords
