

TomTom

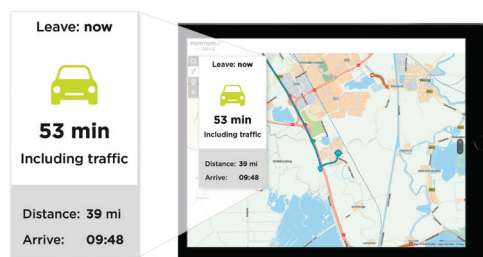

GET THERE FASTER

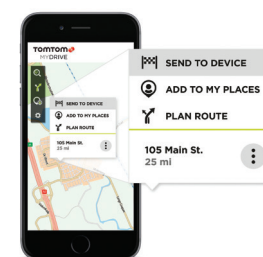

TomTom MyDrive

Use MyDrive on a PC, tablet or smartphone, to save real-time traffic information before you go.

Know when to leave so you arrive on time.

Send destinations to your TomTom GO before you get in the car.

TomTom Traffic

Independent studies confirm that TomTom Gets you there faster*. Drive with award winning traffic for the lifetime of the device.

Know exactly where delays start and end, and how to avoid them.

*Based on more than 300 trips covering Paris (BenchExpert, December 2014), Berlin (NavCert, December 2014) and London (Blauw, January 2015), comparing TomTom and Garmin real-time traffic-enabled portable navigation devices during morning & evening peak commuting times.
